

CHILES HIGH SCHOOL SPORTS BOOSTERS SIGN SPONSOR RENEWAL NOTICE

The CHS Sports Boosters would like to thank you for your previous support.

All of our sports programs continue to grow, along with the student enrollment, (over 1900 students). Teams have built additional facilities and added new equipment, all due in part to your support. Again this year's sign program has jumped out to a fast start. With prices for transportation and equipment sky rocketing; the sign sponsorship program is a way of funding teams and getting something back. The fence area around the stadium is filling fast; gymnasium sports are promoting their space heavily. It will not be long before renewals will be the only way to keep signs at the stadium or gymnasium. This is made possible by what you have contributed to CHILES HIGH SCHOOL.

THANK YOU!

It is now that time of year for your sign to be renewed for 2009 - 2010. Your sport would like to continue having the benefit of your contribution. All previously purchased signs have had their facelift for the year, are looking great, and are ready for this year's activities. Our expectations for the athletic seasons are tremendous. Game attendance has increased over the years and the Chiles facilities continue to be used more and more by other schools and groups. Please take advantage of this opportunity to renew your sponsorship. CHS Sports Boosters thank you, in advance, for your continued support.
